Subject: Notice of the First Apportionment for the Title VI--Innovative Education Program  
Strategies of the Improving America's Schools Act of 1994 (PL 103-382), Fiscal Year  
2000-01

This apportionment, in the amount of \$14,758,967, has been made from federal funds provided to the State under Title VI of the Elementary and Secondary Education Act (ESEA) of 1965 as amended by Title VI of the Improving America's Schools Act (IASA) of 1994 (PL 103-382). The United States Department of Education award number is S298A000005A. The Catalog of Federal Domestic Assistance Subprogram number is 84.298A. This grant is subject to the provisions of Title VI of the ESEA, as applicable, and the General Education Provisions Act (PL 103-382). This grant is also subject to the Title VI regulations in Part 200 of Title 34 of the Code of Federal Regulations (CFR) and the Education Department General Administrative Regulations in 34 CFR Parts 76-77, 80-82, and 85-86. The funding is appropriated by the State Legislature through Item 6110-101-0890 of the 2000 Budget Act (Chapter 52, Statutes of 2000). The California sub-allocation (pass-through) number is Project Cost Account Code 13340.

This apportionment represents 40 percent of entitlement for each local educational agency (LEA) listed on the enclosed schedule of apportionment. In accordance with federal law, entitlements were calculated on a point system formula using approximately \$4.04717 per point. LEAs received one point per pupil as reported in the October 1999 California Basic Educational Data System, and one point for each private school participating enrollment. In addition, LEAs are ranked based on the percent of students receiving California Work Opportunity and Responsibility to Kids (CalWORKs) as of October 1999. LEAs in the top quartile (total percent of 100 to 15.54) received an additional 3.5 points per CalWORKs student; LEAs in the second quartile (15.53 to 8.10) received 2 points per CalWORKs student; LEAs in the third quartile (8.09 to 2.31) received 1 point per CalWORKs student; LEAs in the fourth quartile (2.30 to 0), received no points per CalWORKs student.

Funding for charter schools has been included in the chartering agency's entitlement unless the charter school has chosen to be direct-funded as an LEA under the charter school block grant funding model. Direct-funded charter schools that have applied for IASA Title VI funds are listed separately.

Under the federal "Tydings Amendment," Section 421(b) of the General Education Provisions Act 20.20 U.S.C. 1225(b), any funds that are not obligated at the end of the federal funding period (July 1, 2000 through September 30, 2001) shall remain available for obligation for an additional period of 12 months (to September 30, 2002).
